

TGS ENROLLMENT PROCESS

For the 2021-2022 Academic Year

The following processes and procedures are designed to ensure every Greenspire applicant fair and equal access to our unique learning community. It is our hope that every applicant will have the chance to enroll with Greenspire for 2021-22. However, should applicants exceed available seats, a lottery will be used to select students and establish grade-level based waiting lists.

Parents and guardians must carefully read and understand the processes and obligations below. If you have any questions or concerns, please contact hsoffice@greenspireschool.org.

2021-2022 Capacity: The Greenspire Board of Education has set an enrollment limit of up to 100 students for the fall of 2021.

Application Forms: Applications will be available via our website (www.greenspireschool.org) beginning on February 15, 2021. No forms can be distributed prior to this time. Only the official TGS 2021-2022 enrollment application can be used. **Previous versions cannot be used.** Incomplete applications will be disregarded. All communications throughout this process will be conducted electronically. Therefore, all applications must include a valid email address. If you need to make alternative arrangements, please contact Michael Schramm, High School Development Consultant at michael.schramm@greenspireschool.org.

Submission Window: Applications can be submitted anytime between February 15 and 4 pm on March 12. **No exceptions will be made to this deadline for any reasons including snow days or extenuating family circumstances on the part of our applicants.** Early submission will have no impact on the likelihood of enrollment, i.e. applications submitted on February 15 will be treated the same as those submitted on March 12.

Application Delivery: Applications may be submitted electronically. The issuance of a receipt number is required for the application to be valid. **Applications will not be accepted from students.** When submitting electronically, please use "Enrollment – [Student Name]" in the subject line and send only to hsoffice@greenspireschool.org. You will receive an acknowledgement email including your receipt number within three business days. Please note your receipt number.

Application Confirmation: By March 16, all confirmed applications will be cataloged on the Greenspire website at www.greenspireschool.org. Click on the "Enroll" link. You will see the receipt numbers of all applicants along with the first three letters of the student's first and last names. **If your child's receipt number is not listed, you must contact us at hsoffice@greenspireschool.org no later than 4 pm Wednesday, March 17. Failure to do so may result in a loss of placement at Greenspire.**

Currently Enrolled Students: Parents of currently enrolled students returning to Greenspire are required to submit a 2021-2022 enrollment form by the March 12 deadline. Failure to do so may forfeit the child's 2021-22 enrollment should the school reach its grade-level capacities.

Lottery & Wait-Listing: If applications exceed the enrollment capacity of 100, seats shall be awarded according to the following hierarchy:

1. Currently enrolled and returning students
2. Siblings of returning students
3. Children of faculty, staff and board members
4. All other applicants by lottery

Please note that only the siblings of returning students are granted enrollment priority.

In the event of a lottery and/or wait list, seats will be allocated by grade level. Wait list priority will be based on the specific grade level of your child. In essence, we will maintain three wait lists – one for each grade.

Attending the Lottery: A public lottery will be held at 4pm on March 18 via Zoom:

Enrollment Confirmation: The parents of students who have been awarded a seat at The Greenspire School for the 2021-2022 academic year will be contacted by March 23 via email.
Parents must confirm their intent to enroll in writing to hsoffice@greenspireschool.org no later than April 30. Failure to do so may result in the loss of the child's seat.

Administrative Due Process: The Greenspire School Board of Education has vested the Superintendent with the authority to implement the preceding process fully and faithfully. The Superintendent will hear any and all appeals and resolve disputes with final authority in accordance with state law and district policies.
