For The Greenspire High School Car Line, please enter on Dendrinios Drive and continue straight at the stop sign. Drop off/Pick Up your student at the end of the circle drive, near the “Northwestern Michigan College University Center” entrance.

Please have your school-provided Greenspire Car Line Sign clearly showing in your windshield. This will make the carline run smoothly. If you have a non-designated person pick up your student, the parent or guardian must call the main office ahead of time and provide this person's name. We will request to see ID at pick-up. If there are discrepancies, we will ask the driver to park and come into the main office.
