TGS CODE OF CONDUCT

2022 - 2023

The goal of our code of conduct is to protect the educational rights of each of our students at all times. We each sign the code as a pledge to respect the rights of our fellow students and teachers.

The Greenspire School offers a unique educational program based on purposeful connections between individuals, communities and the environment. Greenspire is founded on the principle of community and global responsibility to each other and the Earth. TGS uses a project based learning method, place-based education in collaboration with many community partners, hands-on learning indoors and out, and small, multi-age classes.

In order to deliver such a rich educational experience, Greenspire must operate as a cooperative community of engaged citizens. Therefore, as a group and individually, we are called on to respect the following rights of others:

- The right to be safe both physically and emotionally at all times
- The right to an orderly, distraction-free learning environment
- The right to speak and, more importantly, be heard
- The right to participate in all activities
- The right to be treated fairly and honestly
- The right to the security of personal belongings
- The right to a clean, cared for campus – inside and out
- The right to quality instruction, assignments and projects
- The right to speak with any staff member upon request

Actions that interfere from these rights are to be avoided, including:

- Interrupting others
- Speaking out of turn
- Talking over others
- Disrupting class
- Excluding people from activities
- Treating people unfairly including unfair or unhelpful criticism
- Being dishonest
- Touching or taking the property of others
- Not cleaning up after yourself
- Doing damage to our campus

The Greenspire Code of Conduct can be summed up this way: let's be kind to one another. By signing this contract, you are agreeing to try your best to live up to these ideals. In turn, know that each of your fellow students and teachers has also made the same commitment to you.

OFF CAMPUS PERMISSION

2022 - 2023

Outdoor learning and participation in the greater community is what makes The Greenspire School unique. Students will regularly go off-campus accompanied by a faculty/staff member for classes and may participate in walking field trips to various locations in the greater community.

Students are expected to behave responsibly and act as representatives of The Greenspire School. This includes but is not limited to: not disrupting other classes or school events, walking safely and quietly, staying with the class, following directions of where to walk, using appropriate language, following all school rules, and adhering to public laws, ordinances and directives while off campus. Students should always remain with the class at all times and follow teacher instructions. Any violation of these rules will result in the loss of off campus walking/activity privileges. Permission to go off campus can be revoked at any time for any reason by The Greenspire School administration.

I have read the above and understand the terms and conditions of being able to leave campus for educational purposes. I can conduct myself responsibly and with integrity and can follow the terms and conditions at all times. I understand that violation of these rules will result in the loss of off campus privileges, may negatively impact my grade in class, and could lead to removal from the class.
