GREENSPIRE
HIGH SCHOOL

Although the schedule does not list a time for the NMC University Center, Greenspire students on board the Village Loop 13 (www.bata.net/villageloops) can ask their driver to deviate to the front door of Greenspire High School. Students traveling inbound from Liv arbors, 3-Mile road, Hammond Road, and Kingsley will arrive at school at around 8:10am. Students coming from downtown TC or transferring from another bus will arrive at 8:40am.

Students may call 231-941-2324 if they wish for a ride home on Route 13, or to request a BATA Link bus at a time of their choosing. They can download the app here: www.bata.net/link.

Students who ride transit often may consider **downloading the Transit App** to always guide them to the correct bus. <https://transitapp.com/>

Have a great year!
