

GHS Student Council Roles and Bylaws

~Updated and Approved March 15, 2023~

ROLES

The Student Council will be made up of 13 student leaders, all in various roles described below. Prior to 2023-24 (full capacity), there will be 11 students representing the student body. There must be an odd number of members at any given time to avoid a potential tie vote.

President: a 12th grader

The President must be a previous member of council from 9-11th grade.

Vice President: 11th grader

The Vice President must be a previous member of council from 9-11th grade.

2 Class Representatives Per Grade Level- The student body will vote on 2 representatives per grade level to make school-based decisions. The representatives should represent their peers' opinions on school related matters. 11th and 12th grades have 1 representative and 1 chair position (VP and President).

2 Publicists – One publicist is voted on by the student body and the other publicist is chosen by the SC class representatives. This position creates online and physical advertisements for events. They also communicate with the Middle School and greater community to advertise events and initiatives.

2 Recorders– One recorder is voted in by the public and the other position is appointed by the SC class representatives. This person records meeting minutes (information and decisions we make during meetings) and creates weekly agendas.

1 Treasurer– The treasurer is appointed by the SC class representatives. They manage all financial aspects of the council. They also plan fundraisers. They must keep and report out accurate financial records.

Public Comment- Any enrolled GHS student, parent or staff member may attend public student council meetings as a member of the public and may speak during public comment. Public Comments should be 2 minutes or less in length and must remain school appropriate in delivery and language. If a member of the public does not follow these structures, the SC reserves the right to remove a member of the public from the current meeting. The SC may also suspend a member of the public from future meetings (the next 2 consecutive meetings maximum) if this is voted on and passed by the majority. Parents and staff members are also members of the public and must follow these structures.

VOTING RULES

1. The entire student body will vote for their class representatives, one publicist, and one treasurer.
2. The entire student body will choose from the two 11th grade representatives and two 12th grade representatives for student council Vice President and President.
3. The class SC representatives will vote for one publicist, one recorder and the treasurer.
4. All SC Positions have voting rights in the weekly meetings. The public does not have voting rights. SC majority rules and all votes must take place with a quorum present. (*Quorum: 6 members in 22-23, 7 members in future years.*) When there are dissenting votes, a roll call vote will be enacted and recorded by the secretary.

REMOVAL & RESIGNATION

1. Removal- When a member of the student council is formally removed due to their academics or breaching of bylaws, they are not required to present a replacement member. In case of removal, the student council will make the student body aware of the vacancy so new member may come forward.
2. Once potential members present their interest at an SC meeting, the council will vote to appoint eligible candidates.
3. Resignation- When a member of the student council willingly resigns from their position, they must provide a two week notice and should verbally communicate their succession plan.
4. Members will be removed if they miss more than four meetings per semester without making the council aware prior to the absence.

MEMBER TERMS

All SC Positions are 1-year term positions. They must reapply and run a new campaign each year (if applicable) to remain on the SC. The President and VP must have served on the SC for at least 1 term prior to applying for President or VP. If there are **no** 11th or 12th grade President or VP candidates who were previously on the SC, any qualifying 11th/12th grade student may apply for the role(s).

SPONSOR SUSPENSION

Member terms may end prior to the full term if the student is not in good behavioral or academic standing. The SC teacher sponsor reserves the right to suspend terms temporarily or permanently if it becomes necessary. This is done in a private manner and in closed session meetings. The teacher sponsor will temporarily suspend for 4-weeks for a student if any course grade dips below a **C-, or 70%**. If the grade is not at or above a C- within a 4-week period, the student will be permanently suspended from the SC and we have a new election to appoint for that role by SC.
