

## Greenspire Early Middle College

### Northwestern Michigan College's Engineering Technology / Marine Technology, Associate of Applied Science

*A Partnership of Greenspire High School & Northwestern Michigan College's Great Lakes Water Studies Institute*

#### **ENGINEERING TECHNOLOGY / MARINE TECH PROGRAM ENROLLMENT STANDARDS**

- A student's cumulative GPA must be above 3.3 at Greenspire High School
- Families must provide their own transportation or use public transit to the NMC campus for in-person courses unless they are held at the University Center.
- Student NMC courses will only be paid for when taken during the GHS school year. (NMC Fall: August-December and Spring: January-May Semesters, with the exception of WSI 200 in the 12th-grade year)
- GHS Students must pass their courses with a 1.0 or higher at NMC for The Greenspire District to pay for the course. If a GHS student does not pass the course with a 1.0 or higher, course payment defaults to the student's primary guardian/parent of record. \*
- The Greenspire School is provided access to all NMC/GHS dual-enrolled student information and records. However, GHS will not monitor students during their NMC courses.
- Student is required to meet with their GHS counselor once per year and their NMC counselor twice per school year to review their status in the program
- EMC Students are required to attend EMC Council meetings on Fridays once a month

*\*Typically a 2.0 is required to transfer credits to another college or university. Transfer credits are at the discretion of the institution transferring in the credits. Please see that institution's policy for more information.*

## Course Sequence

Year 1 9 <sup>th</sup> Grade	Year 2 10 <sup>th</sup> Grade	Year 3 11 <sup>th</sup> Grade	Year 4 12 <sup>th</sup> Grade	Year 5 13 <sup>th</sup> Grade  Fall Semester	Year 5 13 <sup>th</sup> Grade  Spring Semester
<ul style="list-style-type: none"> <li>● Algebra I, Geometry, or Algebra II</li> <li>● Exploratory Pathway Seminar</li> <li>● US History</li> <li>● American Literature</li> <li>● Environmental Biology</li> <li>● Digital Arts and Technology I &amp; II</li> <li>● Outdoor Physical Education</li> <li>● Spanish I</li> </ul>	<ul style="list-style-type: none"> <li>● Geometry, Algebra II, or Trig/Pre-Calculus</li> <li>● Pathway Seminar</li> <li>● World History</li> <li>● World Literature</li> <li>● Health</li> <li>● Chemistry</li> <li>● Spanish II</li> <li>● Outdoor Education</li> </ul> <p>**EDU 100 <i>or</i> PSY 100 (2)</p>	<ul style="list-style-type: none"> <li>● GHS MT Seminar</li> <li>● 2 WK Internship</li> <li>● English 11: Technical Writing</li> </ul> <p>** MTH 111 (4)</p> <p>** ENG 111(4)</p> <p>** GEO 115 (3)</p> <p>** EET 102 (2) <i>or</i></p> <p>WSI 106 (3)</p> <p>** EET 103 (3)</p>	<ul style="list-style-type: none"> <li>● GHS MT Seminar</li> <li>● Psychology/ Sociology</li> <li>● GHS MT Mentorship</li> </ul> <p>** MTH 121 (4)</p> <p>** EET 204 (3)</p> <p>** ENG 220 (3)</p> <p>** DD170 (4)</p> <p>** ENV 117 <i>or</i></p> <p>PHY 105 (4)</p> <p>** WSI 200 (3) <i>WSI 200 is a Summer Course</i></p>	<ul style="list-style-type: none"> <li>● GHS MT Mentorship</li> </ul> <p>** EET 260 (3)</p> <p>** WSI 210 (3)</p> <p>** WSI 240 (3)</p> <p>** RAM 155 (3)</p>	<ul style="list-style-type: none"> <li>** ENV 131 (4)</li> <li>** RAM 205 (3)</li> <li>** WSI 215 (3)</li> <li>** PHL 105 (3)</li> <li>** MFG 104 (3)</li> </ul>
	2 college credits	16/17 college credits	21 college credits	12 college credits	16 college credits

● Greenspire High School Course

\*\* = Courses taken at NMC for high school & college credit

**Total College Credits: 67/68**

## NMC Course Titles

DD 170 - CADD/Computer Modeling	EET 102 - Intro to Engineering Tech	ENG 111 - English Composition	GEO 115 - Intodurction to GIS	MFG 104 - Fluid Power	WSI 106 - Intro to Water Quality
EDU 100 - College Success	EET 103 - Electrical Studies I	ENG 220 - Technical Writing	PHL 105 - Critical Thinking	MTH 111 - Intermediate Algebra	WSI 200 - GL Research Technologies
	EET 204 - Electrical Studies II	ENV 117 - Meteorology & Climatology	PHY 105 - Physics of the World Around Us	MTH 121 - College Algebra	WSI 210 - Underwater Acoustics and Sonar
	EET 260 - System Engineering in Practice	ENV 131 - Oceanography	PSY 100 - Career Exploration and Planning	RAM 155 - Microcontroller Programming	WSI 215 - Marine GIS & Data Processing
				RAM 205 - Microcontroller Systems	WSI 240 - ROV Systems and Operations
