

THE GREENSPIRE SCHOOL

Vision

Greenspire will empower students for their futures as authentic, ethical and visionary learners.

Mission

Provide inclusive, life-centered education focused on community and nature in partnership with the earth.

Values

- Whole child first
- Outdoor and environmental education
- Relationships that strengthen community
- Inclusivity: Being together while being different (celebrating differences)

STRATEGIC PLAN 2024

Goals

- 1. Inclusiveness and Belonging / Physical and Emotional Safety:**
Establish clear expectations and develop policies and/or practices to assure all students at Greenspire are safe and feel an authentic sense of inclusiveness and belonging.
- 2. Teacher Salaries:**
Evaluate the current compensation system and explore options to improve employee recruitment and retention.
- 3. Consistency (Discipline, Communication, Curriculum, Training, Collaboration):**
Develop policies and practices to enhance communication and build consistency between buildings in order to foster a more aligned school system within the Greenspire community.
- 4. Professional Development and Support (PBL Focus):**
Create a cohesive and intentional professional learning plan designed to support staff in implementing the vision of Greenspire with PBL at the core.
- 5. Opportunities (Sports, PE, Art, Theater, etc.):**
Explore, assess and identify areas for program shifts or expansion to better serve our student population.
